Product name	JetLogger documentation unit for V1-V2-V3
Product code	8810290
Product type	JL-NE
GTIN	7070701372273
ETIM-Class	EC002862

PRODUCT SPECIFICATIONS

JetLogger is a professional documentation system for the installer who need an efficient and professional electronic documentation of the cable blowing process. Jetlogger is developed together with installers , network owners and approved by German Telecom – ZTV TKNetz 40. Jetlogger can be delivered to following models: V0- V0 HD- V2 and V3.

In the JetLogger you also find the OCPC system (Optimal Cable Pipe Combination). The OCPC system is an intelligent system helping you to get the optimal pipe and cable combination for optimal blowing conditions (fill ratio).

Measurements

Length	400 mm
Height	180 mm
Width	300 mm
Weight	3 900 g
