

|              |  |
|--------------|--|
| Product name | Anchoring clamp 2/4 × 25-50mm <sup>2</sup> |
| Product code | 2885503                                    |
| Product type | EF 2/4 × 25-50mm <sup>2</sup>              |
| GTIN         | 7070701381992                              |
| ETIM-Class   | EC004661                                   |

## Measurements

|        |          |
|--------|----------|
| Length | 42 mm    |
| Height | 80 mm    |
| Width  | 210 mm   |
| Weight | 109,25 g |

## Technical Specifications - Pole Line Hardware

|                    |                               |
|--------------------|-------------------------------|
| Hardware Type      | Dead-end clamp                |
| For cable diameter | 15-50                         |
| Deadend Material   | Galvanized steel              |
| Thimble Included   | No                            |
| Material - Body    | Thermoplastic                 |
| Wedge Material     | Thermoplastic                 |
| Bail Type          | Fixed Bail in Stainless Steel |
| Bail Length        | 145 mm                        |

## Technical Specifications - Line fixing for power cable for overhead lines

|                                      |                         |
|--------------------------------------|-------------------------|
| Model                                | Tension clamp           |
| Number of conductors                 | 2 – 4                   |
| Suitable for conductor cross section | 25 – 50 mm <sup>2</sup> |
| Suitable for insulated conductors    | Yes                     |

|                        |            |
|------------------------|------------|
| Direction of conductor | Horizontal |
| Colour code            | Black      |
| Tightening moment      | 28 – 28 Nm |
